

2024 East Waste Schools Program Nomination Form

The East Waste Schools Program is a year-long program of waste education for schools, tailored to the school community and calendar.

**The 2024 program focus will be:
*Food waste reduction and diversion.***

The program is suitable for schools at all stages of their waste management journey. You are encouraged to apply if your site is interested in:

- environmental and sustainability education
- improving site waste management practices
- developing staff capacity and
- empowering your school community.

The cost of the program is fully funded by East Waste for one school per Council each year.

Please discuss this opportunity with leadership and complete the application below.

**Nominations for 2024 program close on Friday 24 November 2023.
Please submit to admin@kesab.asn.au**

Which East Waste Council is your site located in? (please circle)

Adelaide Hills Council	Campbelltown City Council	City of Norwood, Payneham & St Peters	The City of Unley
